HOW TO ACCESS YOUR NYP/COLUMBIA RADIOLOGY IMAGES

Do you have an NYP CONNECT account? If yes, skip to View your images, if No -

- Visit https://www.myconnectnyc.org

- Click on New User? Sign Up (No Activation Code)

- Visit the "Learn More Here" for information on all the features of NYP Connect. Multiple languages are available. Or call (646) 962-4200 for help.

To View Your Images

- Once Logged into your My Connect Account, go to the "Patient Portal"

- Then from the Test Results, click on the Radiology report.

- At the bottom of the report will be a link. Click this link which will open in a new browser window and show you a list of all your exams.

To the right of the exam list you can choose to view, download, or share the exams.

The Mobile version of NYP Connect currently allows only viewing the exams. To share or download, please use a computer web browser.

Only exams performed at NYP/Columbia from February 2020 to present are available on the portal. For access to older exams, please contact NYPRADIMAGING@NYP.ORG
