Re: Referral for lung transplant

Thank you for referring your patient to the Lung Transplant Program at NewYork Presbyterian Hospital Columbia University Irving Medical Center. Prior to scheduling your patient for an initial consultation, we will be reviewing your patient's records for medical screening and insurance verification. To ensure a prompt review, please include the following required records at the time of initial referral. The records can be faxed, emailed, or mailed to us based on your preference:

Fax: (212) 342-1087

Email: Lungtransplant@nyp.org
Website: www.columbiasurgery.org/lung-transplant

Required Demographic, Insurance, and Medical information

____Fully completed Lung Transplant Patient Registration Form (attached).
____Insurance Information. Please attach front and back copy of all medical insurance cards.
____Clinical summary or most recent consult note including H & P, medication list, and current BMI (Body Mass Index). Our maximum BMI limit for lung transplant evaluation is 40 kg/m^2.
____PFTs within 12 months. If your patient is unable to perform PFT, please let us know.
____Chest x-rays/CT reports in the last 3 years. Please include the CD of the images.
____Detailed smoking history (quit date/number of pack-years). Our program requires abstinence from all tobacco/nicotine use for a minimum of 6 months prior to being considered for transplant.
____For patients with history of malignancy, please include the Oncology records.

Without reviewing the required patient information, we are unable to schedule your patient in a timely manner. We may request additional records if deemed necessary.
Please share this information with your office staff.

We look forward to working with you and taking part in your patient's care. More information about our program is available to you and your patient at www.columbiasurgery.org/lung-transplant. If you have any questions or concerns please do not hesitate to call our office at (646) 317-4514 or email us at Lungtransplant@nyp.org to contact one of our friendly Intake Coordinators.
